

and was a little shy about
stopping at your house if you
didn't know I was coming.

I am very sorry if I have
waited too long but if ever you
would go to a show some night
please write me a line and let me
know when and I'll sure be there.

Maybe I shouldn't write this to
you but at least I want you
to know how it is and if I don't
hear from you I can't prove it to you.

Sincerely
Russell
